MEMORANDUM FOR THE DIRECTORATE, FOR SECURITY REVIEW, OFFICE
OF THE ASSISTANT SECRETARY OF DEFENSE
(PUBLIC AFFAIRS)

Subj: Request for Declassification of NOTS TP 4229

Encl: (1) Congressman Aspin's ltr of 21 Aug 73
(2) DDC document - NOTS TP 4229
(3) Department of the Navy Interim reply to
Congressman Aspin, undated

1. By enclosure (1), Congressman Les Aspin requested enclosure (2), a copy of a report entitled: "The Application of Air-Delivered Incendiary Weapons to Limited War in Southeast Asia". The Congressman further requested that the document be reviewed in light of the new Executive Order 11652 and that if any portion remained classified, appropriate justification should be provided.

2. The subject report was prepared by the Naval Ordnance Test Station, China Lake, California in calendar year 1966 as part of the examination of the need for different weapon types in the Navy's inventory of munitions.

3. It was determined that the report in question was classified Secret and specific classified data was extracted from CIA and Air Force documentation.

4. In view of the fact that another agency and department was involved, enclosure (3) was prepared providing an interim response to the Congressman.

5. At this point in time, the Navy interposes no objection to the declassification of the document. However, it is requested that this matter be reviewed further by OSD and, if appropriate, staffed with CIA and Air Force for their comments.

6. Based upon your reply, this office will respond to Congressman Aspin.

Dear Mr. Aspin:

Your request of August 21, 1973 for a classification review of the report "The Application of Air-Delivered Incendiary Weapons to Limited War in Southeast Asia", NOTS-TP-4229 has been received and is being processed by the Navy's Classification Review Committee.

The report contains information from Air Force and Central Intelligence Agency classified documents. Since all of the source documents are not under the classification authority of the Navy, the processing time will be somewhat longer. The Classification Review Committee expects to complete its action by October 5, 1973. You will be advised of the Committee's determination at that time.

Sincerely,

B1 Copy to:

August 21, 1973

The Honorable John William Warner
Secretary of the Navy
The Pentagon
Washington, D.C. 20350

Dear Mr. Warner:

I would like a copy of a report, "The Application of Air-Delivered Incendiary Weapons to Limited War in Southeast Asia", NOTS-TP-4229, prepared by the Naval Ordnance Test Station, China Lake. The paper is numbered AD379367L by the National Technical Information Center.

If the report is classified, please ask your Classification Review Committee to consider if it still requires protective markings in light of the new procedures in Executive Order 11652.

If you determine that a portion of the report should continue to be classified, please send me the unclassified sections and an explanation for maintaining security markings on the remaining parts.

Thank you for your attention to this matter.

Sincerely,

Les Aspin
Member of Congress

Remarks: <p>Attached documents are forwarded for your information. As you will note, Congressman Les Aspin requested that the Navy declassify and release NOTS Technical Publication 4229, 17 October 1966, Secret/Noform. Inasmuch as CIA source materials were utilized in the preparation of the report, the Department of Defense (Asst. Secy. of Defense for Public Affairs) has requested Agency concurrence in this action.</p> <p>Several NIS urban area studies are involved. OBGi is being asked to review the material and forward its recommendations to this office.</p>
